1. **REFERRAL:** - *Please note your procedure will not be performed unless we have a current referral.*
2. **INFORMED FINANCIAL CONSENT / OUT OF POCKET FEE-** *This form must be signed,dated and payment made 7 days prior to your surgery.*
3. **PATIENT REGISTRATION FORM-** *If this is included in your paperwork.*

DIABETES / MEDICATIONS: It is important to notify us immediately if you are a diabetic, taking medications, allergic to medications, or using blood thinning tablets (ie Aspirin / Warfarin) as certain medications need to be ceased 7 to 10 days prior to admission.

Please stop the following medications: _____

If having morning procedure

(AM) You are required to fast prior to surgery (Nothing at all to eat, drink or smoke) from midnight before your operation. You should take all your current medication with you to the hospital.

If having afternoon procedure

(PM) You are required to fast prior to surgery, you may have a light breakfast (**NO DAIRY PRODUCTS**) before 7:00am on day of admission but after this time you **MUST FAST COMPLETELY** (nothing at all to eat, drink or smoke). You should take all your current medication with you to the hospital.

DISCHARGE FROM HOSPITAL:

It is important you arrange for someone to drive you home at discharge from the hospital **and stay with you overnight.**

YOU MUST NOT drive a car or operate machinery until advised by Mr Sweeney
